Dear Keith Marshall:

Congratulations! This letter serves as confirmation that you passed the exam for the Substance Abuse Professional (SAP) Qualification on 9/7/2026.

Testing was completed on that date with a passing score of 90%, earning 12 CE credit hours. Please complete your requalification testing prior to three years from your test date.

Your enclosed SAP certificate number is 175165 which is current until 9/7/2029.

Please retain this letter for use in verifying your national Qualification to other agencies. You are expected to maintain your current qualifying credential for the full three-year period that your SAP is in effect.

When approaching renewal time, we recommend completing the NAADAC SAP Requalification Independent Study Course which will extend your SAP for an additional three years, credit you with the necessary 12 hours of SAP related continuing education credits, and maintain your listing on the NAADAC public SAP Directory.

Sincerely,

Richard Goodman
Operations Manager
